To Live, To Love, To Learn

Sponsored Walk

Tiddy class joined in with Pensilva Pre-school's sponsored on Wednesday walk to raise money for Diabetes UK and the ITP Support Association.

The children walked up to the farm shop having a splash in some puddles and looking for bears on the way. Once at the farm shop they had a drink and snack to build up their strength for the walk back to school. All the children made the walk and we will let you know how much we raised when the money is in. If you would like to donate, please hand your money in at the office in an envelope marked, 'sponsored walk'.

Reading Challenge

The children have been set two reading challenges to start this week.

The first is to have a photo taken of them reading in an interesting place and bring it in to school by the 4th November. This could be sat in a tree, hanging upside down, sat on the beach, where ever they like really - just be creative!

The second challenge is to read at home four times a week and have their diaries signed by parents. The class with the highest percentage of children reading four times a week (every week) at the end of term will win an afternoon at the park. This is to encourage children to read at home more to support their reading and learning in school.

The playground to 5km running club which started on Wednesday was a big success!! Over 10 parents took part and 16 children! Two parents commented to Mr Jones that the session had inspired them to start running themselves which is a positive start to the club.

When dropping off/collecting your child/ren from school, please be considerate of pedestrians and local residents when parking.

Thank you for your cooperation.
