To Live, To Love, To Learn

Heatree 2019

We left school on Monday and travelled by bus to Heatree. When we arrived, we had lunch and then got straight on with orienteering. We had to find shapes and record the colour and name of each shape. The team who found the most, won. After that, we had dinner and then had some free time outdoors. Later, we all did a quiz - the Year 5 Blue team were the winners. On the first night, we all slept soundly and woke up very early! On Tuesday, we had a delicious breakfast before getting into our kayaking gear - kayaking was one of the best bits of the trip! Lots of us fell or jumped into the small lake several times, it was freezing cold but loads of fun. We got changed and then after lunch we got ready for the high ropes, there were lots of different heights of ropes and levels to climb to. Everybody ate loads that night, but left room for marshmallows at the campfire in the Roundhouse. On Wednesday, we did a wilderness adventure before jumping on to the bus to head back home. All the children who went on the trip would like to say a huge thank-you to Mrs Halliday, Miss Johnston, Mrs Styles and Mrs Van-Meurs for looking after us and making it an awesome trip.

Puppet Workshop

On Monday 20th May, Year 6 had a puppet workshop and made puppets with cardboard boxes and lots of other recycled materials. We split into small groups and the puppeteers showed us how to make a puppet come to life. Then we had to put together a small production with our puppets. BBC Radio Cornwall came to the school especially to interview us for this project. Radio presenter, Claire Rowley interviewed us asking questions about our inspiration for the puppets and what we had used to make them. To listen to the interview, tune in to **BBC Radio Cornwall on Monday (27th May) between 13.00 - 16.00.**
