## Friday 28th May 2021

### Wrens Class

This term in PSHCE we have been celebrating our similarities and differences. The children are all making a gingerbread man picture and decorating his body with a different item of clothing each session. This week they were talking about things that were similar between them and their partner and had a great time working together to decide what similarities to write on their gingerbread man clothes.

### Puffins Class

What wonderful weather we had for Forest School this week! We made designed and made our own shelters and then poured water over them to see if they were waterproof.

### Buzzards Class

For the past few weeks we've been doing tennis with Stewart. It's been fun, productive and most of the class can now rally a ball from one to another. However as well as learning to throw a ball at a racket and not anywhere else four times out of five, it's been a sporty and lively environment to work in and it's been a whale of a time.

We have learnt how to throw and catch a tennis ball, how to hit the tennis ball from the tennis racket and other basic skills as well as spotting and it has all paid off. As I said before most people in our class can rally thirty times or more.

So the sum up it was awesome and productive all rolled into one. By Poppy Year 6

Next week is half term. We look forward to seeing all the children back in school when we return on Monday 7th June 2021.

## Clubs

After the half term, some after school clubs will be running. To sign your child up for the clubs, please email [secretary@pensilva.cornwall.sch.uk](mailto:secretary@pensilva.cornwall.sch.uk)
