## Friday 17th September 2021

### Wrens class

This week Wrens class went out in the field and wildlife area and explored our outside area. We found lots of mini beasts and we identified them on our identification sheet and then ticked off the ones we had found. We had a lovely time and we are so lucky to have such a lot of outside space to explore.

### Doves class

This week Doves have been using glockenspiels to play music to the song 'Music is in our soul'. They were very good at using the C and D notes. We moved to the beat, added actions, learnt the song and finally performed it using the instruments.

### Puffins class

Puffin Class have been mixing primary colours to create secondary colours. We also explored mixing different shades of a particular colour.

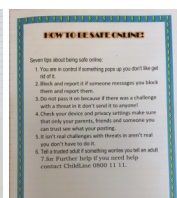

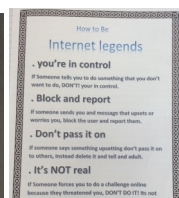

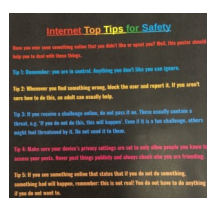

### Buzzards class

Buzzards have had another very busy week. This week we have been developing our diary writing skills. We have explored time adverbials and the writing characteristics that we need to include. We are basing our diary writing on the book we have been reading in our VIPERS sessions. In maths, we have continued to explore our knowledge of numbers and place value, working with numbers to a million. We have completed a 'Gig' in Times Table Rockstars so we can again regularly log in to the 'Studio' and increase the fluency of our multiplication tables recall.

We've found out about 'Accelerated Reader' and have chosen our first reading books as part of the program. One child in the class completed her first quiz and scored 100% - wow! In computing, we focused on Internet safety. We watched a film, engaged in lots of discussion, and then collaborated to create Internet safety posters. We have found out more about 'Growth Mindset' and are trying to adopt this as a positive approach to our learning.

Mrs. Sissons has continued to be impressed by our hard work and the good choices made by both individuals and the whole class on lots of occasions throughout the week.

## CHILD HEALTH PROGRAMME – HEALTH INFORMATION BOOKLETS FOR RECEPTION / YEAR 6

This year Public Health are trying to help reduce the impact we are having on climate change. This means that this year we will be sending out digital booklets for you to share with families, which will include the opt out form.

Below are the official links to our new digital **Health Information booklets** for families. These digital booklets will replace the paper version sent out in previous years, and contains many useful links including how to 'opt out' of school health screening.

Please can you share the relevant link with parents from Reception and Year 6 today.

**Reception Year** - <https://mailchi.mp/18026a07be64/child-health-programme-health-information-reception-year>

**Year 6** - <https://mailchi.mp/cc99221a9df0/child-health-programme-health-information-year6>

Wednesday 5th January—Children return to school

# Let's get Relay Creative for Cancer Research!

## Category 1 – Relay For Life

We would love to see you recreate Relay For Life in a range of ways.

## Category 2 – Purple

Purple is the Relay colour. Use this as your inspiration for this category.

## Category 3 – Hope

Relay is all about Hope. Hope for a cure, Hope for kinder treatments, Hope for the future. Use this as inspiration.

For each category there will be a children's winner and an adult's winner.

We would love to see a variety of entries in a range of disciplines so let your creative thoughts go wild and show off your skills in this Relay Creative Competition for Relay For Life Liskeard.

To enter email [competitions@liskeardrelay.org](mailto:competitions@liskeardrelay.org) and make a donation to <http://relay.cancerresearchuk.org/goto/relaycreativecompetition>

Get your entries in before the 25th September.

Join us to celebrate 25 years of Relay For Life in the UK.

## Rainbow Ribbon Walk

Celebrate 25 years of Relay for Life with us

Siblyback Lake

1pm – 4pm

25th September 2021
