4th September 2020

Dear Parents / carers,

We are excited to be welcoming all of the children back on Monday 7th and hope that they are looking forward to school.

As the letter regarding arrangements for your children's return to school was sent to you some time ago, in July, we are resending it with this note. Please take time to reacquaint yourself with the key information and to note the earlier drop off and pick up times - and the strict arrangements that we need to adhere to. Our drinking fountain will not be used and we would like to stress the importance of ensuring that your child brings a named water bottle with water in, daily. This can be topped up in school.

We will keep you up-to-date if any changes are made to our current arrangements as we all settle into the new routines. Our school's risk assessment is now available to view on the website.

Please find enclosed an up to date lunch menu. We return on week three of the menu. This menu will run until the October half term and can also be found on our website.

We wish you an enjoyable weekend and look forward to seeing you on Monday morning.

Best wishes,

Teresa Clinick

All of the staff
