Dear Parents/Carers,

You will have heard the Prime Minister indicating that the government believes it may be in a position to implement a phased re-opening of schools from 1 June, starting with pupils in Reception, Year One and Year Six. This is part of the government's conditional plan which it says will remain under regular review.

It is inevitable that there will be much speculation publicised in response to the announcement and we need to keep sight of what is the official line. In the short-term, nothing has changed. We are waiting to receive more information from government about what this may mean for our school and we will update you in the coming days and weeks once we are able to do so.

Whilst we miss the children greatly and would all like to return to some kind of normality, safety must be our highest priority.

Yours sincerely,

Teresa Clinick

Headteacher
