Wrens Class

Wrens class have had a really busy week!

On Tuesday we all became 'Habitat Detectives'. We are learning about animals and their habitats in our science lessons. The children were challenged to go and identify different habitats in our field. They were amazing and found a badger's set, bird's nest, rabbit warrens and spiders webs in dark holes!

On Wednesday the children experienced their first school Sports Day! They all behaved exceptionally and showed great sportsmanship. We were so proud of them.

Finally, on Friday we have been learning about the artist Bridgit Riley, we have explored her work and tried to create our own picture working only with lines!

Puffins Class

What an amazing sports day! A great team effort Puffin Class.

Buzzards Class

This week Buzzards have been making games based on the circulatory system. They chose either a board game, T.V show or Scratch and made up questions and answers for their games. A lot of the class chose to do a Who Wants to be a Millionaire style game with multiple choice answers and 50/50!

Sports Day 2021

First of all Wrens had their Sports Day which finished with the Tug of War. Then Puffins went down to the field to do their activities. They did an over and under at the end. The points were counted and Trelawney scored the most points in Puffins.

After lunch it was Buzzards turn. We enjoyed all of the games. The favourite of the Year 6's was the Tug of War which Trelawney won! However, overall in Buzzards class, Pendennis won the trophy by scoring the most points.

It was a hot, sunny day and was really nice that the parents could come and watch. We hope you enjoyed it! The whole day had a great atmosphere and thank you to everybody who came and watched and supported us.

By Scarlet, Year 6 Trelawney Team Captain.

School drop-off mornings and parking

Can we please remind all parents that drop-off time in the mornings is between 8.45—8.55am. Please do not arrive any earlier than this. This is especially important for those who drop-off through the school car park. There will still be cars entering the car park until 8.45am.

Can we also please make sure that consideration of our neighbours is taken at school drop off and collection times. Please do not block driveways or park on pavements.

Thank you for your co-operation.

Thursday 8th and Friday 9th July—Liskeard School induction days

Monday 12th July—Callington Community College open evening

Tuesday 13th July—Callington Community College open morning

Friday 16th July—Year 6 leavers trip to Tamar Trails
