Friday 30th March 2021

As a school, we are currently updating our curriculum. Display boards in the school used to be presented by different classes. They are now subject boards with all years from Reception-Year 6 displaying work on them. The progress throughout the school can now be seen on each board.

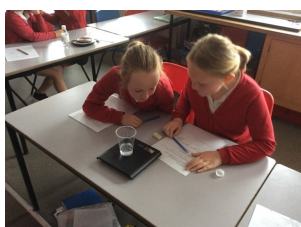

We hope you think they are looking fantastic like we do!

This week in Wrens class, they have been learning all about coding. They have used the Coding Critters and worked out how to program them to move forwards, backwards, around in a circle and even under or around obstacles! All the children loved programming the Critters and helping them to move around the class. Great coding Wrens!

In Puffins class during Science, year 3 and 4 have focused on gases. We carried out an investigation to prove whether or not a gas has a weight. We weighed a flat cup of lemonade and a fizzy cup of lemonade. To our surprise, the fizzy lemonade weighed more because it contained carbon dioxide gas.

In art we have been creating collages. We have torn, cut, layered paper in lots of different ways!

Buzzards class have started to learn Taiko drumming. They are having tuition over the next 10 weeks and hope to be able to share a performance at the end with you!

Dates for your DIARY

Monday 3rd May—Bank Holiday. School closed.

Friday 21st May—Year 1 hearing screening

Friday 28th May—last day of term

Monday 31st May—Friday 4th June—Half term
