

Literacy – Week Beginning 8th June

We are going to carry on with The Odyssey this week. I hope you are enjoying it!

We got to Page 30 of the book last week. This week, please start by continuing reading the story up until Page 48 which is the beginning of the Chapter called Scylla and Charybdis (Page 44). Please discuss what has happened in the story so far.

We will then focus on Scylla and Charybdis (Page 44-50). This is a really exciting (and a bit scary) part of the story which I hope you enjoy.

Once you are really familiar with the story, you need to work on presenting it. You can act the story out, retell it in your own words (it would be great if you could film this!), draw and write a comic strip, do a puppet show or anything else you can think of, as long as the story is clear and understandable.

Why do you think Odysseus' journey home is being made so difficult?

At some point, please write up your story logs.
