

Beech Tree Forest School

07983626869

Our wonderful forest school sessions are dedicated to get children out in the fresh air, doing activities, eating healthy and learning new skills.

Our forest school is child-led and benefits include improved language and communication skills, increased self-esteem and confidence, more motivation and greater concentration to name a few.

We like exploring areas like bushcraft, environmental art, woodland crafts and games, campfire cooking and of course, lots of free play.

- Home Ed group
- Friday night club
- Holiday clubs
- We receive funding from time2move programme for pupil premium children for our holiday clubs.

We can also offer:

- 1:1 sessions
- Birthday parties
- Activity days
- Special events,
