## **Tesco Community Grant – Bags of Help programme**

Pensilva Pre-School are pleased to announce we have been selected for the Tesco Community Grant scheme which awards grants to charities and community organisations to fund local good causes whose focus is on supporting children and families.

Funding pots of £500, £1000 and £1500 will be available for projects and Tesco customers will be able to choose which project receives the most funding by voting in store every time they shop using the blue tokens.

The funding received will be used to further develop the Primary School Woodland area where Forest School and Outdoor Wild Learning takes place. This development will benefit both the Pre-School and Primary School providing an enriched outdoor learning environment.

Please support us by voting using your blue token whenever you shop in Tesco Callington.
