

THE AMAZON RAINFOREST

Your homework for the next few weeks is to carry out some research about an aspect of the Amazon Rainforest and create a small project/fact file about it.

You could choose:

- Animals (and focus on one or two in detail)
- Plants
- The Amazon River
- People and their lives/culture
- History of The Amazon
- Other area of your choice

You will need to create:

- Front cover with the title of your project and your name (this can be drawn, coloured, painted, collage etc.)
- Different pages for different parts of information e.g. habitat, food etc.
- Try to include a mixture of writing, pictures, maps and diagrams.

Your work can be handwritten or typed (but please do not copy and paste).

Your homework will be due in on Wednesday 8th November.
