### To Live, To Love, To Learn

#### World Book Day—5th March 2020

For World Book Day we wrote a whole school story. Daymer class started it and then each class added to it with Harlyn class writing the ending. Holywell and Daymer class had fun sharing stories and lots of children enjoyed dressing up as their favourite book character!

Once upon a time, there were 3 little dinosaurs. The first dinosaur was green and had big red spots. The second dinosaur was blue and had big, sharp, pointy teeth and claws! Finally, the third dinosaur was pink and had shiny sparkles all over her!

One day the 3 little dinosaurs left home. They wanted to build a house of their own. They met

a T-Rex who was selling chains. The 3 little dinosaurs bought some of his chains and built a house with them. Later that day a big, bad, pterodactyl came along and knocked on their door. "Little dinosaurs, little dinosaurs, please let me in," he said. The 3 little dinosaurs cried, "No, no, no, not by the scales on our tail, tail, tails!" The big bad pterodactyl replied "Then I'll peck, with my beak, and peck your house down!"

Suddenly, Peter Pan flew down the chimney because he was very good friends with the dinosaurs who he had met on holiday last year in Spanish Neverland.

"I know who could help us!" cried Peter Pan generously, as he whipped out his iPhone 11 Pro-Max and called his friend Harry Potter, who he knew from his days at magic school.

Before you could say, "Zippty Zappety Zoo!", there was a zipping noise and Harry Potter flew down the chimney like a

hurricane on his wonky broomstick.

Harry and Peter quickly sprinkled fairy dust (that they had been sold by Tinkerbell) over the three dinosaurs and suddenly, they realised they could fly! They whooshed up the chimney together and rushed away across the sky! Unfortunately, the pterodactyl chased after them and was gaining on them...

Ahead of them, on the ground, there was a tiny red spot. As they got closer the head of

the Cat in the Hat popped out! He was drinking lemonade. As he jumped up on his feet, some of the delicious bubbly lemonade spilled into his very tall red and white striped hat. The lemonade was magic, the hat grew and grew. It was gigantic! The hat started to suck air into it (like a Hoover), this pulled Harry, Peter and the three dinosaurs towards the dark fluffy hole of the hat.

The next thing they knew they were transported

to a magical, magnificent, fantastical Candy-land. The pterodactyl didn't make it to the hat in time, so was left behind!

The Very Hungry Caterpillar appeared and gave them a tour of Candy-land. He said "You can eat anything you want here, except from the knight blue berries."

They all cheered "Hooray!"

# Advice on the coronavirus for places of education

## How serious is the coronavirus?

- it can cause flu-like symptoms, including fever, cough & difficulty breathing
- the infection is not serious for most people, including children
- there is currently no vaccine
- most people get better with enough rest, water to drink and medicine for pain

## How likely are you to catch the virus?

- you can only catch it if you have been close to a person who has the virus
- the chance of being in contact with the virus is currently low in the UK
- if you have travelled to areas where many people are infected, your chance of catching the virus is higher, i.e. China and any affected areas

## How can you stop coronaviruses spreading?

### If you need to cough or sneeze

Catch it  
with a tissue

Bin it

Kill it  
by washing  
your hands with  
soap & water or  
hand sanitiser

### You should wash hands with soap & water or hand sanitiser

After breaks  
& sport  
activities

Before  
cooking  
& eating

On arrival at  
any childcare  
or educational  
setting

After using  
the toilet

Before  
leaving  
home

Try not to touch your  
eyes, nose, and mouth  
with unwashed hands

Do not share items that come  
into contact with your mouth  
such as cups & bottles

If unwell do not share items  
such as bedding, dishes,  
pencils & towels

Stop germs spreading with our e-Bug resources on hand and respiratory hygiene lesson plans for KS1, 2 and 3: [campaignresources.phe.gov.uk/schools](https://campaignresources.phe.gov.uk/schools)

## What should you do if you feel unwell?

Keep away from others and stay at home to stop the infection spreading. Avoid public transport if you think you have symptoms of coronavirus. If you become unwell at a place of education, tell a member of staff and let them know if you have travelled to any other countries in the last 14 days.

If your staff member or parent thinks you have symptoms of coronavirus, they should call **NHS 111** for advice. Follow the UK Government advice for childcare or educational settings [gov.uk/government/publications/guidance-to-educational-settings-about-covid-19](https://gov.uk/government/publications/guidance-to-educational-settings-about-covid-19). Parents can visit **NHS.UK** to find out more information. Teachers and support staff should follow the UK Government advice.

Staff, students and pupils who have returned from Iran, specific lockdown areas in northern Italy, special care zones in South Korea or Hubei province China (returned in the past 14 days) should self isolate, and NOT attend education or work for 14 days.

See **NHS.UK** for advice on coronavirus.

**If there is an emergency, call 999 immediately**
