To Live, To Love, To Learn

Sports Day

A fantastic Sports Day and the sun even shone! Well done to everyone for a great afternoon and congratulations to Pendennis for winning overall. The score was very close throughout the afternoon but it was the water measuring station which won it for Pendennis. Lovely to see the children supporting each other and showing some great sportsmanship throughout. Full report and more photographs to follow next week.

Congratulations to Mrs Halliday and her husband Rob who are expecting their second baby. Mrs Halliday is aiming to start her maternity leave after the October half term and Miss Johnston is looking forward to teaching Harlyn class full time.

Reading Challenge

Daymer 54%
 Polzeath 38%
 Holywell 60%
 Harlyn 26%

Well done to Holywell class.

Online Safety

Roblox Parental Controls

With the summer holiday approaching, many children will be looking forward to some time playing games on their computers and consoles - ideally as a shared family activity!

Roblox continues to be one of the most popular games amongst our children. As with all games - particularly those which are played online - there are risks for parents to be aware of and steps you can take to support your children in playing safely. The best way to keep your child safe is to ensure they are always supervised when they play. In addition, parents can apply controls to the game to limit certain features. An excellent guide to Roblox Parental Controls can be downloaded from Internet Matters by following this link:

<https://www.internetmatters.org/parental-controls/entertainment-search-engines/roblox/>
